

## PHOTOGRAPHIC LINEUP # \_\_\_\_\_

Person viewing lineup Milton AGADER Report # 05-187010Location of lineup 67-292 Casdale Ave. Class. Robbery 1INSTRUCTIONS

You are about to be shown a group of photographs. Before viewing these photographs please read the following carefully.

Do not let your judgment be influenced by the fact that a police officer is showing you the photographs. The person who committed the crime may or may not be in the group of photographs you are about to review, and you are not obligated to identify anyone. Also, it is just as important to eliminate innocent persons from further suspicion as it is to identify guilty persons.

NOTE

Please review each photograph contained in the lineup. Be aware that the photographs used could be old or new. Also, be aware that photographs do not always depict the true complexion of someone and that the actual complexion could be darker or lighter. Further, be aware that hair styles and hair lengths are subject to change and that persons can alter their identities by growing or shaving facial hair. Finally, please do not discuss any aspect of this photographic lineup process with any other witnesses connected to this case.
